ABOUT CROSSROADS

As a charity the organisation relies on donations and fundraising to provide over 70% of its projects with the rest being funded through contracts.

Crossroads Care is the leading provider of practical and emotional support for carers living on the Isle of Man.

The organisation runs its own nursery, holiday scheme, social clubs, young carers projects and employs carer support workers to carry out the charity's main objective of taking over the caring responsibility in the home so that our Island's carers can have a few hours to be themselves.

For only £24 you could join our 100 Club and purchase one of those care hours for this year.
